

Dear Lucas Oil Raceway Participants,

We are excited to be closing in on the 2019 Lucas Oil Raceway Brown's Oil Service E.T. Bracket Series presented by Comfort Suites. As we get closer to our 2019 kick-off event on Saturday, April 13th, we wanted to take a moment and highlight some of the positive changes we have on-tap in 2019.

1. **Points Championship – Free to All:** We are excited to announce that this year's E.T. Bracket Series will not include a points entry fee. All competitors will be earning points that go towards the 2019 Lucas Oil Raceway Championship. We believe that by removing the buy-in hurdle for racers, this will allow us to increase the number of participants chasing the 2019 track championship.
2. **Championship Celebration:** We are moving the Championship Celebration from the off-season to the evening of Saturday, September 28th in the Lucas Oil Raceway Top Eliminator Club. This event will be a celebration of a successful completion of the 2019 season and highlight our track champions while enjoying the company of the Lucas Oil Raceway bracket community.
3. **Racer Payout Efficiency:** We certainly recognize that the process of collecting your payout can be a bit tedious and that is why we are looking to streamline the process for 2019. You are now able to complete your [2019 W-9](#) online, as well as complete your [2019 Racer Payout Form](#). Please complete these and return electronically to Scott Porter (Business & Ticketing Manager) (sporter@nhra.com) and we will have it on-file when you collect your winnings. We will just need to collect a signature on your Racer Payout Form each time you claim your winnings, but will no longer be asked to fill out the same form repeatedly in 2019.
4. **Junior Street Introduction:** In 2019 Lucas Oil Raceway will be introducing the Junior Street class as part of select E.T. Bracket Series events (May 18 & 19, June 22 & 23, September 29th). We hope that with the introduction of this class it will allow both our Junior Dragster participants and other youth, an opportunity to enjoy drag racing cost-effectively at Lucas Oil Raceway. Please be sure to check out the rule book as it relates to Junior Street licensing.
5. **2019 Rule Book:** You will find the [2019 Rule Book](#) for the Brown's Oil Service E.T. Bracket Series presented by Comfort Suites for your files. If you have any questions, please contact Mike Walker (mwalker@nhra.com).

Don't forget the Spring Fling Test-n-Tune on Saturday, April 6th from Noon – 5pm. This will be your first opportunity get on-track and also schedule your chassis inspection (if needed).

We look forward to a great 2019 season.
Lucas Oil Raceway
