Follow the above run order to completion

No passes during eliminations unless bike is still in competition

NOTE This is a run order/sequence, with **approximate** start times for the classes. There is **NO** way to have a schedule with exact times due to things like; bike count, weather, accidents, oil downs, etc. That being said, it is the **RACERS** responsibility to be at the track for the classes and to adjust to schedule shifts. No refunds have nor will be given if a racer misses their run. *If we run far enough ahead of schedule, there will be a 3rd qualifier for Sportsman & Pros*
